

## Index

| Chapter | Description                                   | Page Number |
|---------|-----------------------------------------------|-------------|
| 1       | <b>INTRODUCTION</b>                           |             |
| 1.1     | Introduction of project                       |             |
| 1.2     | Existing System and Need for System           |             |
| 1.3     | Scope of Work                                 |             |
| 1.4     | Operating Environment - Hardware and Software |             |
| 1.5     | Detail Description of Technology Used         |             |
| 2       | <b>PROPOSED SYSTEMS</b>                       |             |
| 2.1     | Module Design                                 |             |
| 2.2     | Proposed System                               |             |
| 2.3     | Objectives of System                          |             |
| 2.4     | User Requirements                             |             |
| 3       | <b>ANALYSIS AND DESIGN</b>                    |             |
| 3.1     | System Flowchart                              |             |
| 3.2     | Entity Relationship Diagram (ERD)             |             |
| 3.3     | Class Diagram(If Applicable)                  |             |
| 3.4     | Use Case Diagrams                             |             |
| 3.5     | Sequence Diagram                              |             |
| 3.6     | Activity Diagram                              |             |
| 3.7     | Deployment Diagram                            |             |
| 3.8     | Component Diagram                             |             |
| 3.9     | Table Design(If applicable)                   |             |
| 3.10    | Table Schema                                  |             |
| 3.11    | Data Dictionary (If applicable)               |             |
| 4       | Drawbacks and Limitations                     |             |
| 5       | Proposed Enhancements                         |             |
| 6       | Conclusion                                    |             |
|         | Bibliography                                  |             |
| 7       | <b>ANNEXURES:</b>                             |             |
|         | <b>ANNEXURE 1 : USER INTERFACE SCREENS</b>    |             |

|  |                                                 |  |
|--|-------------------------------------------------|--|
|  | ANNEXURE 2 : OUTPUT REPORTS WITH DATA (if any ) |  |
|  | ANNEXURE 3 : CODE SNIPPET                       |  |
